

Thank you for your interest in becoming a recruitment supplier to Age UK.

If you wish to support Age UK's recruitment team and be considered in our next annual review, please read the revised terms of business (TOB) and ensure you have expressed an interest in working with us by completing this form in full and returning to recruitment@ageuk.org.uk.

Once you have returned the SEOI to us and if we are interested in working with you, we will contact you directly. If you bypass our procedures as outlined within the TOB, this will devalue your claim of wanting to work with us.

Thank you for your interest in Age UK
